Dear Mr. Templeton,

On behalf of The Philadelphia Home and School Council (PHSC), the umbrella organization for all of the Home and School Associations in the School District of Philadelphia, wishes to thank you for the informative presentation you made at our General Membership Meeting, on January 14, 2014 in Room 1075 of the School District Building.

Parents, Community Members, Administration and Staff were present and from the feedback we have had they learned Helpful Tips on Finding Kids' Secret Stash for their drugs and paraphernalia. Many people were amazed and thankful they were able to attend this presentation because it really helped to open our eyes to how and what is being hidden from our sight in plain view.

PHSC also appreciated the helpful hints you gave to the group concerning how to interact and talk with their kids.

We are aware one of the Community Members who attended had booked you to present to another organization they belong to.

PHSC will be contacting you to speak before Home and School Associations in Northeast Philadelphia, at our Learning Network #8 Presidents' Meeting when we begin our programming in September. We will be looking forward to you bring this presentation to our parents.

Thank you once again for your time and information.

Sincerely yours,

Rosemarie F. Hatcher
