

November 19<sup>th</sup>, 2013

Dear Jeff Templeton,

On behalf of all of us at the Home and School Association at John Story Jenks, I would like to thank you and your organization for coming out to our school on November 12<sup>th</sup>, 2013 and presenting an excellent presentation about Drug Awareness.

As a parent as well as a former police officer, I was surprised to find out about the many different ways children are hiding drugs and even getting them into our schools without anyone noticing. Your presentation is very powerful and I highly recommend it be seen by all parents and teachers.

Again, thank you very much for all of your efforts and please keep up the good work.

A handwritten signature in cursive script that reads "Danette Moody".

Danette Moody  
Home and School Secretary for JS Jenks
