Dear Mr. Templeton,

On behalf of all the employees of Anthony Wayne Academy, please accept my appreciation for the excellent job you and your S.P.E.A.K. employees have done over the past several years with the different programs you create for our students. We are a behavioral school, so these programs you and your staff work so hard to create make our students feel not so behavioral and respected for their hard work.

Thanks to your leadership and dedication combined with your staff's teamwork and energy, we are now enjoying the smiles on our students' faces and the obvious confidence they exude after participating in your events. You and your employees should take great pride in this accomplishment.

Please pass along my gratitude and that of all the employees of S.P.E.A.K.

Sincerely yours,

Tara Duke
