Dear Jeff,

The students and staff of Lingelbach Elementary School would like to thank you for your presentation on Monday, June 6, 2011. The presentation gave the students the opportunity to explore and understand the issues that are affecting their daily lives. The topics of Peer Pressure, Bullying, Snitching, and Teen Pregnancy have always been a concern in our community. This program serves as an important tool as our students transition from Elementary School to High School.

We thank you again for this valuable experience. Our students really enjoy the role-plays, discussion and the movie tickets/Ritas water ice gift cards. We look forward to working with you in the near future.

Sincerely,

Jacqueline A. Mason-Scott
