To: S.P.E.A.K. (Standing Positive Equals Amazing Kids)

On behalf of our Senior Pastor, Reverend Dr. Alyn E. Waller I want to personally thank you for sharing your wonderful program with our children on April 17, 2012 and March 6, 2012. During both sessions our children were blessed by your efforts and your commitment to pouring into the lives of our youth. You were able to address the needs of our young ladies as well as our young men and both were able to receive vital information that will continue to shape their futures.

I had the awesome opportunity to meet with each of the groups immediately following the program and I want you to know that the information that was shared with me was very positive. For our young men, this was the first time they were challenged by their choice of wearing their clothes (pants below the waist) and the origin of how this type of dress was initiated. They left with a better sense of being accountable for their behaviors and how they should dress in public.

Our young ladies were very moved by the skit on teenage pregnancy and one young lady in particular vowed to end the cycle of teenage pregnancy that has been a part of her family history. They also enjoyed the performance and they were grateful for the opportunity to view the program. I pray that as you move forward that you will be able to continue to be a blessing to the students, schools and the community at large.

Sincerely Yours,

*Reverend Jerome Glover Sr.*
