January 25, 2013

Dear Mr. Templeton,

On behalf of our students and my colleagues, I wanted to thank you and everyone at your amazing organization S.P.E.A.K. for coming out to Germantown High School Promise Academy on January 24th, 2013 and presenting to our students. The information that your organization shared was very powerful and I think it will have a lasting effect on our students. I would love for you to come back in the future to continue working with these students. I wish you continued success!

Thank you again!

Sincerely,

Julie Cheifetz
