Dear Mr. Templeton,

Thank you so much for bringing your S.P.E.A.K. "Staying Positive Equals Amazing Kids" program to the A. B. Day school on May 5, 2011. Your presentation captured the attention of our grades seven and eight students. Not only was it engaging and informative but provided a strong historical background regarding many of the issues affecting our youth, today. The A. B. Day School staff and students are still reflecting on what was learned from your group's program about "baggy, saggy pants", teen pregnancy and bullying. This will have a lasting impact on all who sat out in the audience that day.

It is my hope that you will consider scheduling a return visit to A. B. Day School. We look forward to another phenomenal S.P.E.A.K. program in the near future. Once again, on behalf of the entire school community, I thank you very much.

Sincerely,

Mrs. Karen Dean
Principal
